**26th Congress of the
WORLD ASSOCIATION FOR SEXUAL HEALTH**
2-5 November 2023 • Mirage Park Resort Hotel
Antalya • Türkiye

It is with great excitement that WAS (the World Association for Sexual Health) invites you to the 26th WAS Congress that will be held in Antalya, Turkey from 2 to 5 November 2023!

WAS is the preeminent global organisation representing professionals working in Sexual Health and Rights as Healthcare Providers, Activists and Educators. The motto of WAS is Sexual Health and Rights for ALL. In light of the recent publication of the WAS Sexual Pleasure Declaration and the preparation of the WAS Sexual Justice Declaration, the tagline for the congress is: **“Bridging the Gaps: Sexual Health, Rights, Justice, and Pleasure for All!”**

We are hosting this congress at an all-inclusive resort! We do not doubt that the historical sites and charming landmarks of the city will be rewarding - offering history, sounds and tastes that will carry you swiftly to another culture and another time. The captivating surroundings, the hospitality and the high-quality scientific programme will make the difference between an ordinary congress and a truly memorable experience.

If you have ever attended a WAS Congress, you will know that apart from the outstanding scientific content, it is the connections you will make that make it most valuable. In this instance, there will be ample opportunity to connect with your colleagues in a beautiful and relaxing environment, while you take in all the diversity that WAS 2023 offers in terms of topics and attendees.

Please add the dates to your calendar for next year and reserve your place as soon as possible. It is going to be THE sexual health event of the year!

There is limited space available for this exclusive opportunity to connect with colleagues, learn about the latest issues in Sexual Health, Rights, Justice and Pleasure and establish links within a multidisciplinary setting. We are looking forward to meeting you in Antalya!
